A 2' x 3' display for each team sponsor will display sponsor's name and logo. These displays will be present on the sideline; August through October. Sponsors will also receive social media recognition.

Our goal for these young athletes is to provide the safest and most positive experience possible. For safety purposes, it is vital that we update and maintain all equipment on a regular basis. Equipment for each player includes a helmet, shoulder pads, thigh and knee pads and full uniform. To keep the registration cost at a minimum for youth, we are seeking the support of the community.
